LEAD TIMES: Factory lead times vary through the year, so we encourage you to plan ahead. The average lead-time for an engraved trophy order is 3-6 weeks. Custom orders that require artwork, die or mold creation, or extra attention take additional time. Please call us and we will give you our current lead times for your type of order.

ENGRAVING: Letter engraving necessary to complete your order must be filled in using our engraving form. For best results, fill in the information directly online, or print, fill, and fax (must be legible!). We offer enamel filled block style lettering in five standard colors: black, blue, red, green, and turquoise.

PAYMENT: We require a minimum 50% deposit prior to starting your order. 100% pre-payment with order is always appreciated. We accept all major cards. There is a 3% credit card use charge.
